Do you believe God has called you to full-time ministry?

Each write a statement about your walk with the Lord, especially focusing on your call to full-time ministry. Perhaps the following questions will help you organize your thinking. Feel free to include other aspects. Use a separate sheet of paper for your answers.

When and under what circumstances did you first know definitely that you were called by God to this type of ministry? Have you experienced anything that you have interpreted as a confirmation of your call? Have people close to you greatly encouraged (or discouraged) you in your call? In either case, what has been your reaction?

Please write a statement answering the question "What is a Houseparent," explaining how you see your role in the ministry in relation to the birthmothers and the ministry as a whole.

**SCENARIOS**

Please write what you would do in each incident:

Each birthmother is given a \$50.00/month allowance which is held in an account for her. Tammy is constantly asking you for money from her account and by the middle of the month, she is overdrawn.

At the time of their interview, each birthmother is told she must do a Bible study every week or face the consequence of doing dishes by herself until the study is completed. Mary consistently turns in the Bible study late week after week.

You have asked Patricia not to smoke because of the danger to her and her baby. When going into her room, you smell stale smoke.

One birthmother consistently does not complete her jobs and her room is a mess.
